

Triangle Light

Triangle Light on kolmiomallinen kevytproteesi, joka on 30 % kevyempi kuin perinteinen silikoniproteesi. Malli täydentää Classic Triangle Lightia hieman kapeammalla pohjaosallaan ja täyteläisemmällä profiilillaan. Sopii naisille, joiden kuppikoko on C tai D.

| Tuotenro. | Malli | Koko |
|-----------|----------------|------|
